I hereby authorize the required repair work to be completed to my vehicle along with the necessary materials. I hereby grant Wagonwork Collision Center (WWCC) and its employees permission to operate the vehicle here in described on street, highway, or elsewhere for the purpose of testing and inspection. An express mechanic's lien is hereby acknowledged on the above vehicle should the need occur, to secure the amount of remaining balance due.

No vehicle will be released until payment is made in full. Please be certain all payees (including all lien holders) have endorsed the insurance check prior to completion of repairs.

I understand that Wagonwork Collision Center's final invoice for repairs of my vehicle may not match that of the insurance company's estimate as to parts, labor or procedures used to repair my vehicle. I understand that parts prices are based upon recent Estimating Software; however prices may vary due to currency fluctuation or varying supplier costs. I understand that repair techniques employed are based upon Wagonwork Collision Center's judgment as to the best means of effecting a high quality repair, and that Wagonwork Collision Center's labor charges are based upon hourly time allowances as given in the Collision repair industry estimating software, and their experience, and may be more or less than the amount of actual time.

I understand that all Wagonwork Collision estimates and final invoices are based upon flat rate hours as is customary in the Collision Repair industry, not actual time spent on repairs. I understand that a flat rate hour is a unit of time given for a certain repair operation and that actual time spent on a repair operation can vary greatly from the flat rate time given to a labor procedure depending on technician experience and equipment provided and/or training.

Wagonwork Collision Center is not responsible for loss or damage to vehicles and/or articles left in vehicles in case of fire, theft, or any cause beyond our control. Please remove any personal articles from your vehicle as it may be necessary to have outside companies do sublet work on your vehicle.

Storage charges will accrue 3 days after notification of the completion of repairs. Failure to make payment within 20 days of notification of the completion of repairs will result in the commencement of the auction process to satisfy the implied mechanic's lien.

In the event that an insurance company fails to provide an estimate or there is an inability to come to an agreed price for the cost of either the initial estimate or supplement within 10 business days of the vehicle arriving at Wagonwork Collision Center, there will be a storage charge of \$59.00 per day beginning with the day the vehicle arrived at Wagonwork Collision Center.

Vehicles towed or driven in, then deemed a total loss, or moved to another facility for any reason by the customer or Insurance Company may be subject to administrative, lot, debris cleanup charges or estimate fees. Any labor, towing or lift inspection fees must be paid before a vehicle leaves Wagonwork Collision Center. Prior written notice must be given if return of used or damaged parts is desired by the customer.
